Introduction:

The Feedback Coordination Committee of Paschim Guwahati Mahavidyalaya has taken the job of collection and analysis of Alumni's' Feedback for the Academic year 2022-23 as a continuation of the existing practice of collecting and analysing of feedback from different stakeholders such as Students, Teachers, Alumni, Parents & guardians and Employers with a motive of improvement of academic atmosphere of the college. For this purpose Feedback forms were distributed to the Alumni to evaluate the developmental activities and academic performance of college at present.

Objective of the Survey:

The primary objective of the "Alumni's Feedback" survey is to improve the overall academic atmosphere of Paschim Guwahati Mahavidyalaya. Through this study the college will try to achieve the following objectives-

- a) To assess the different developmental activities carried out at the college.
- b) To assess the academic performance of the institution.

Population of the Survey:

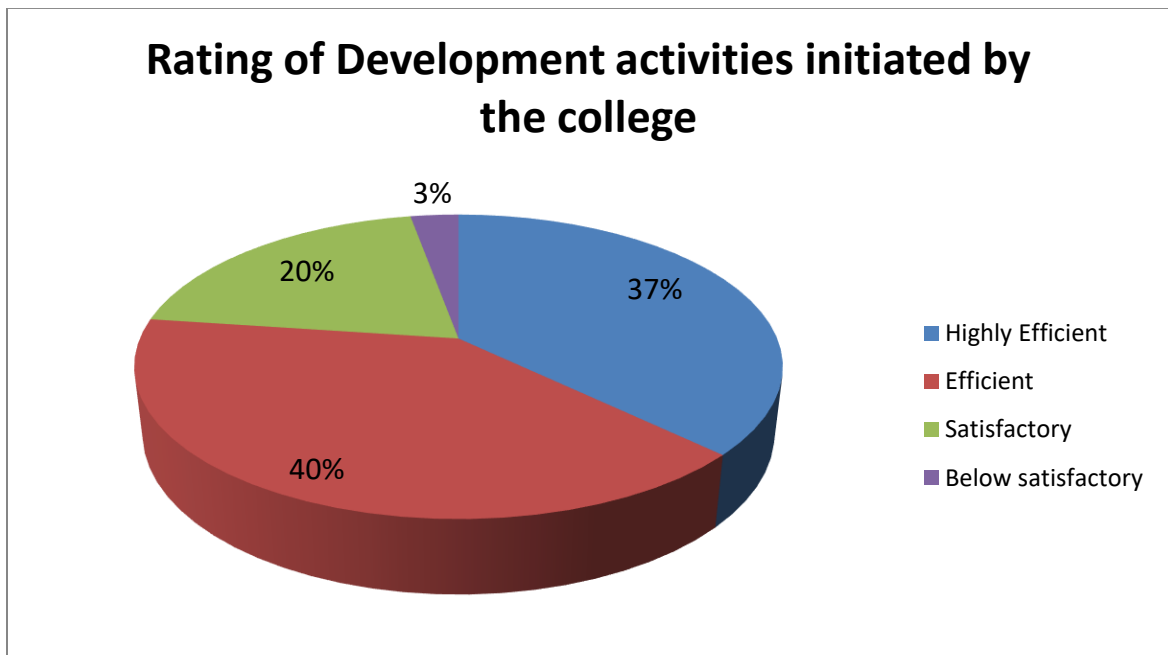

The population of the study is consisted of the college passed out students, who are registered members of the college Alumni Association.

Methodology Adopted:

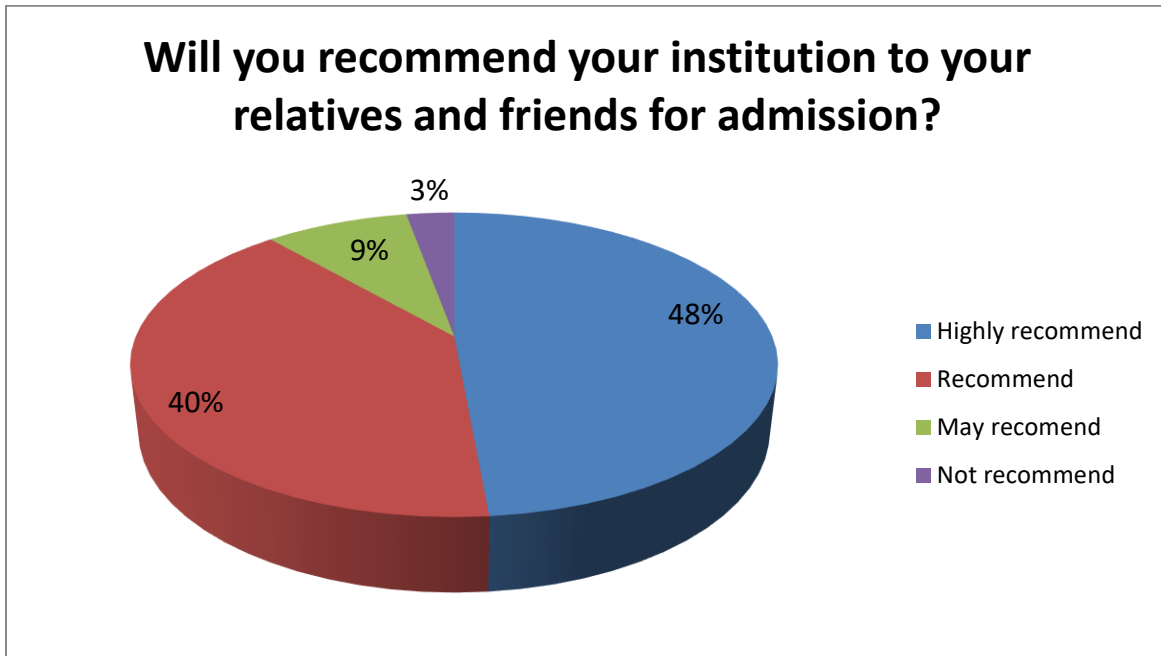

Data regarding Alumni members are collected with the help of College Alumni cell. Alumni have been provided with Feedback Forms through online mode using emails and Whatsapp. They are asked to filled up the form and submit the filled up form online. The responses so collected are tabled and evaluated in digital format and the outcome of the study in the form of a report is formally handed over to the IQAC to further place it to the college authority.

Results of the Analysis of Data:

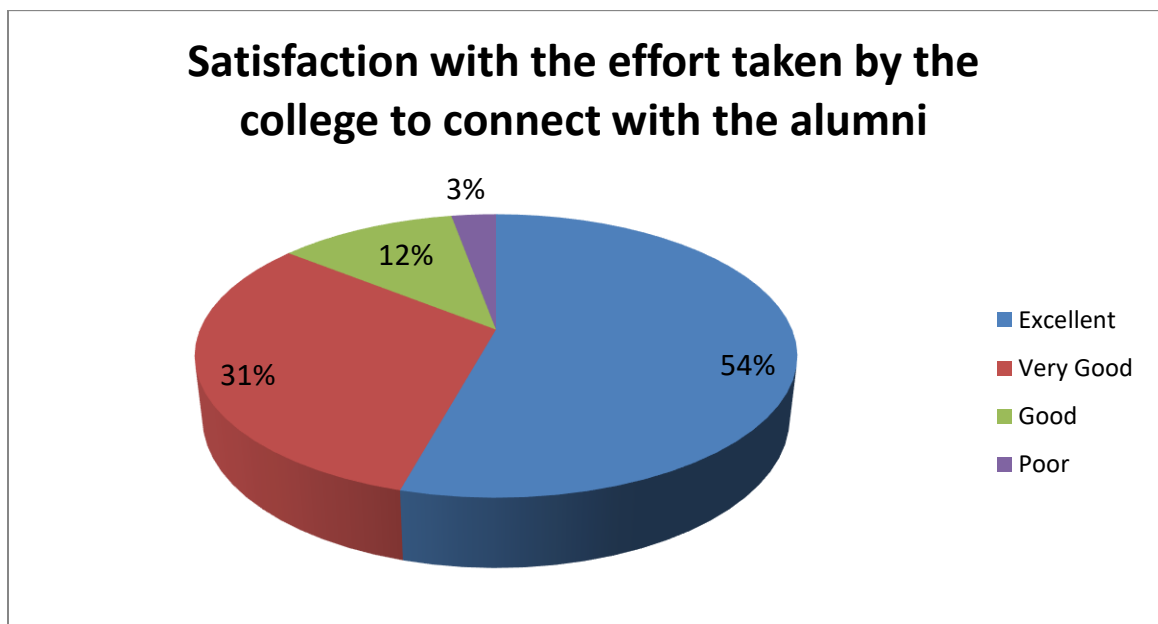

1. In response to a question whether they feel proud being associated with the Paschim Guwahati Mahavidyalaya, 97.1% of alumni responded positively (i.e, responding as Yes).
